

Leveled Compaction

 This is a legacy version of the Mini-LSM course and we will not maintain it anymore. We now have a better version of this course and this chapter is now part of:

- [Mini-LSM Week 2 Day 1: Compaction Implementation](#)
- [Mini-LSM Week 2 Day 2: Simple Compaction Strategy](#)
- [Mini-LSM Week 2 Day 3: Tiered Compaction Strategy](#)
- [Mini-LSM Week 2 Day 4: Leveled Compaction Strategy](#)

We did not finish this chapter as part of Mini-LSM v1.

Your feedback is greatly appreciated. Welcome to join our [Discord Community](#).
